

Statewide Business Survey

Highlights & Improvements in 2021

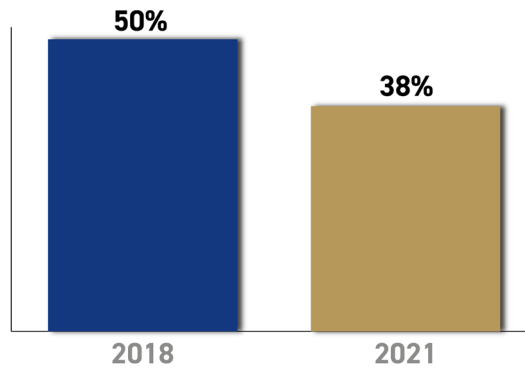

The Florida Council of 100 surveyed 596 small, medium, and large businesses throughout the state to gather data about employee recruitment and training. Size was determined based on revenue and number of employees. The +/- for the survey was 3.8%.

Updating the Council's research from 2018, the survey results highlight recent improvements in Florida's private-sector workforce.

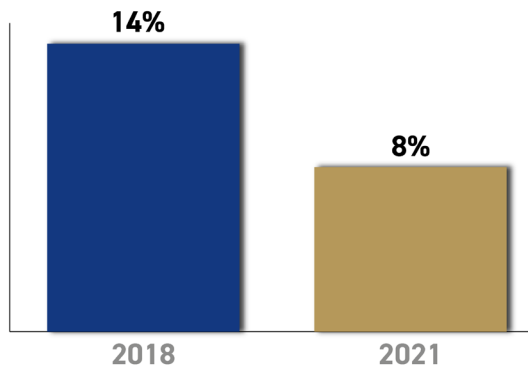

More Qualified Applicants

% of businesses that said it was "very difficult" to find recent graduates who are qualified to work at their companies

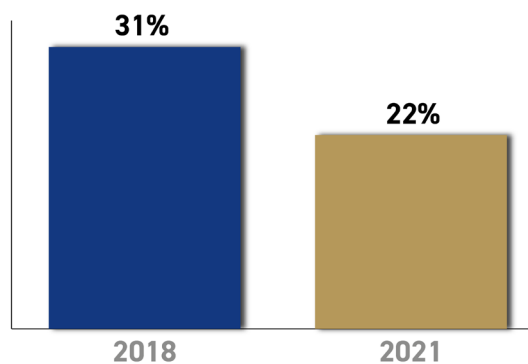

Finding More Workers in Florida

% of businesses that had to recruit from outside the state to find qualified employees

Improved Technical Skills

% of businesses reporting deficiencies in technical skills among recent graduates

More New Hires Ready to Work

% of businesses that spent added time or money to train or re-teach new hires skills they should have previously learned
